Best in Class

Introducing the new solid industrial tyre from Barum. The Barum INDUSTRY has best-in-class performance for general use on forklifts and other industrial vehicles. And because it is a solid tyre, it's damage resistant and maintenance-free.

The Barum INDUSTRY Super Elastic Tyre also offers:

Thick sidewall layer protects the tyre construction and offers additional impact resistance for demanding applications

Central tread rib improves straightline stability and steering response

Offset tread pattern provides a smooth ride and even wear
